

General Education Online Resumes Partial Operations

The Internet (2001-09-18)

The General Education Online Project has resumed partial operations as of 09/17/2001 at 9:30 am. No development work will begin until September 21, 2001 at the earliest.

The General Education Online Project asks that our visitors please join us in extending their thoughts and prayers for the victims of these horrific events and to their families.
