

General Education Online releases v2.2.0rc3

The Internet (2002-05-27)

General Education Online released v2.2.0rc3, a step closer to the next full maintenance release for the GEO v2.x series.

The main improvement for GEO v2.2.0rc3 is a working and integrated user / password authentication mechanism for the administration module.

GEO v2.2.0rc3 can be downloaded at <http://www.findaschool.org/releases/geo-2.2.0rc3.tgz>
